Description :

Connecting words and phrases are essential for discussion, clarity and fluency in any language. French is particularly reliant on connecting language: also and in fact have around 15 equivalent words and expressions in French. This is the first French-English dictionary to focus on this fascinating and crucial part of the language. The dictionary presents nearly 200 full entries in alphabetical order, including: de plus; et ce; or; c'est dire que; en fait; au total; voila. Entries define, discuss and exemplify the whole range of connecting language in French. 2000 examples add further clarity and are chosen from a wide range of registers and mainly contemporary prose.
