Description :

Prsentation de l'diteurHardy Cates is self-made, charming - and determined to carry out his private revenge against the Travis family. So when he crashes a Travis family wedding, the last thing he expects is to find himself kissing his adversary Haven Travis in a dark corner. Hardy has done many things in his life he's not proud of, but now he's trying to rid himself of his roughneck past, which doesn't mean falling in love with a rival - no matter how beautiful she is. Haven, likewise, vows to stay far away from Hardy. Having had her heart quite recently broken - and her body battered and bruised by the man she thought she had loved - she's through with men. That is, until she discovers that the temptation of a tender-hearted, blue-eyed devil is hard to resist. And then, when a menace from Haven's past appears, Hardy may be the only one to save her. .

.From Publishers Weekly Scenes of domestic abuse and the journey to recovery make Kleypas's modern romance anything but fluff. A Wellesley grad and daughter of a Houston energy baron, Haven Travis is an unlikely romantic heroine until her brief but ardent encounter with a man who turns out to be Hardy Cates, the East Texas roughneck from Sugar Daddy who worked his way up from poverty and then outmaneuvered the Travis clan in a business deal. Haven's engaged to Nick Tannera man her dad thinks is unfit for her and though she and Hardy have a charged interaction, she elopes with Nick, and her father cuts her off. Nick turns out to be a bad guy, and a beaten and bruised Haven returns to Houston, where Hardy's still at odds with her family. Their passion proves as fervent as ever, but demons from Haven's recent past as well as strife with her family and troubles at work and in bedstand in the way. Kleypas isn't a literary stylist, but she delivers a page-turning, formula-breaking romance that takes on social issues and escalates passion to new heights. (Mar.)
