Description :

Prsentation de l'diteurEverything You Ever Wanted to Know About Rugby But Were too Afraid to Ask explains the often-baffling laws of modern sport in a light-hearted and easy-to-understand way to the new fan/spectator or the 'sport widow'. This is a witty, off-the-wall guide to the rules of the modern game, as if written by a very patient but understanding friend. Writer Iain Macintosh explains how rugby works and why is it so popular, and reveals the history of the sport. He guides the novice through the basic rules of the game in a bouncy, easy-to-fathom style, but also explains the fast-changing pace of the modern game that

has made it even more compelling. If you've ever been terrified by phrases like 'ruck and maul', or never quite understood the legalised 'bundle' that is a scrum, this book will remove the mystery and explain all you ever needed to know about rugby, but were too afraid to ask. Presentation de l'diteur Everything You Ever Wanted to Know About Rugby But Were too Afraid to Ask explains the often-baffling laws of modern sport in a light-hearted and easy-to-understand way to the new fan/spectator or the 'sport widow'. This is a witty, off-the-wall guide to the rules of the modern game, as if written by a very patient but understanding friend.

Writer Iain Macintosh explains how rugby works and why is it so popular, and reveals the history of the sport.
