Description :

Prsentation de l'diteurAn utterly gripping thriller from bestselling author Lauren Oliver. Panic began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere: because it was summer, and there was nothing else to do.Heather never thought she would compete in panic, a legendary game played by graduating seniors, where the stakes are high and the payoff is even higher. She'd never thought of herself as fearless, the kind of person who would fight to stand out. But when she finds something, and someone, to fight for, she will discover that she is braver than she ever thought.Dodge has never been afraid of panic. His secret will fuel him, and get him all the way through the game; he's sure of it.

But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most. In this gritty, spellbinding novel, bestselling author Lauren Oliver delivers a gripping narrative of friendship, courage, survival, and hope.

Revue de presse Oliver makes a white-knuckle return to realism that will have readers up until the wee hours. (Kirkus s (starred review)) Oliver's novel is a wholly believable and compulsively readable tale of friendship, loyalty, survival, and courage. (Booklist) Praise for *Before I Fall*: Oliver's debut novel is raw, emotional, and, at times, beautiful.... readers will love Samantha best as she hurtles toward an end as brave as it is heartbreaking. (Publishers Weekly (starred review)) Praise for *Before I Fall*: Samantha's attempts to save her life and right the wrongs she has caused are precisely what will draw readers into this complex story and keep them turning pages until Sam succeeds in living her last day the right way. (Voice of Youth Advocates (VOYA) (Starred)) Praise for *Before I Fall*: Oliver, in a pitch-perfect teen voice, explores the power we have to affect the people around us in this intensely believable first novel... This is a compelling book with a powerful message and should not be missed. (ALA Booklist) Praise for *Before I Fall*: This story races forward, twisting in a new direction every few pages, its characters spinning my emotions from affection to frustration, anger to compassion. You'll have no choice but to tear through this book! (Jay Asher, author of the New York Times bestseller *Thirteen Reasons Why*) Praise for *Before I Fall*: *Before I Fall* is smart, complex, and heartbreakingly beautiful. Lauren Oliver has written an extraordinary debut novel about what it means to live and die. (Carolyn Mackler, author of the Printz Honor Book *The Earth, My Butt, and Other Big, Round Things*) Praise for *Delirium*: In [Oliver's] dystopian America, love has been outlawed as the life-threatening source of all discord. Lenas gradual awakening is set against a convincing backdrop of totalitarian horror. The abrupt ending leaves enough unanswered questions to set breathless readers up for volume two of this trilogy. (Kirkus s (starred review)) Praise for *Delirium*: Strong characters, a vivid portrait of the lives of teens in a repressive society, and nagging questions that can be applied to our world today make this book especially compelling and discussable. (School Library Journal (starred review)) Praise for *Delirium*: In a thick climate of fear, Oliver spins out a suspenseful story of awakening and resistance with true love at its core. (The Horn Book) Praise for *Delirium*: Oliver's deeply emotional and incredibly well-honed prose commands the readers attention and captures their hearts. With a pulse-pounding tempo and unforeseen twists and turns, Lauren Oliver has opened the door on a fantastic new series; the second book can't come soon enough. (New York Journal of Books) Praise for *PANDEMONIUM*: From the grief-stricken shell of her former self to a nascent refugee and finally to a full-fledged resistance fighter, Lenas strength and the complexity of her internal struggles will keep readers up at night. (Kirkus s (starred review)) Praise for *PANDEMONIUM*: This is a romance in the purest of senses, where just the longing for the faintest taste of love is worth the greatest of risks. Like all successful second volumes, this expands the world and ups the stakes, setting us up for the big finale. (ALA Booklist) Praise for *PANDEMONIUM*: If... you crave the heart-stopping action of the arena from *The Hunger Games* combined with a destined-to-be-doomed love story then this sequel is perfect for you! (Seventeen.com) Praise for *PANDEMONIUM*: Following directly on the heels of *Delirium*, *Pandemonium* is equally riveting. The underlying theme that love will win out regardless of prohibition is a powerful idea that will speak to teens. (School Library Journal) Praise for *Requiem*: Before starting, readers should turn off their cellphones and wipe their schedules clean, because once they open the book, they won't be able to stop. A dystopian tour de force. (Kirkus s (starred review)) Praise for *Requiem*: Is there a theme more perfect for YA readers than choosing what you want from life rather than being told? (ALA Booklist) *Présentation de l'auteur* An utterly gripping thriller from bestselling author Lauren Oliver. Panic began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere: because it was summer, and there was nothing else to do. Heather never thought she would compete in panic, a legendary game played by graduating seniors, where the stakes are high and the payoff is even higher. She'd never thought of herself as fearless, the kind of person who would fight to stand out. But when she finds something, and someone, to fight for, she will discover that she is braver than she ever thought. Dodge has never been afraid of panic. His secret will fuel him, and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most. In this gritty, spellbinding novel, bestselling author Lauren Oliver delivers a gripping narrative of friendship, courage, survival, and

hope.
