Description : Description du produitWith her love life-and life-on the line, the time has come for Anita Blake to choose...between a vampire and a werewolf....monstrously entertaining... (Publisher's Weekly)Romantic thrills...Erotic chills...A real rush! (Jayne Ann Krentz)

Prsentation de l'diteur"These days my life is a cross between a preternatural soap opera and an action-adventure movie."The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise.But I'm

beginning to wonder if two monsters are better than one....comAnita Blake, vampire hunter, is now herself a hunted woman. Who put the \$500,000 price on her head--a man or a monster? It's not just her own skin she needs to save; the rivalry between her werewolf boyfriend, Richard, and Marcus, the other alpha werewolf in his pack, has come to full boil. And there's always Jean-Claude, the vampire who's been waiting for just the right moment to slip inside Anita's head and heart. Don't assume anything, though--Hamilton's probably got a few more surprises in store.Revue de pressePraise for the Anita Blake, Vampire Hunter seriesWith a heroine as sharp as a stake and slick as a silver bullet, Laurell K.
