**Description :** Description du produit Sam Peek's children are worried. Since that "saddest day" when Cora, his beloved wife of fifty-seven good years, died, no one knows how he will survive. How can this elderly man live alone on his farm? How can he keep driving his dilapidated truck down to the fields to care for his few rows of pecan trees? And when Sam begins telling his children about a dog as white as the pure driven snow -- that seems invisible to everyone but him -- his children think that grief and old age have finally

taken their toll. But whether the dog is real or not, Sam Peek -- "one of the smartest men in the South when it comes to trees" -- outsmarts them all. Sam and the White Dog will dance from the pages of this bittersweet novel and into your heart, as they share the mystery of life, and begin together a warm and moving final rite of passage. Winner of the Southeastern Library Association's Outstanding Author Award.

Prsentation de l'diteur On the 25th anniversary of its first publication, here is the definitive edition of the book Archbishop Desmond Tutu called a hauntingly beautiful story about love, family, and relationships, now with a new preface from the author. Sam Peek's beloved wife of fifty-seven years, Cora, has died. His children are anxious. No one knows how Sam will survive. How can this elderly man live alone? How can he run a farm? How can he keep driving his dilapidated truck down to the fields where he cares for a few rows of pecan trees? When Sam begins telling his children about a dog that is white as a fresh-fallen snow but who is invisible to everyone else, well, his children are sure that grief and old age have finally overcome their father. But whether the dog is real or not, Sam Peek, one of the smartest men in the South when it comes to trees, outsmarts everyone. Sam and the White Dog dance from the pages of this bittersweet novel and straight into the readers heart as the two share the mystery of life and begin together a warm and moving final rite of passage as life draws to a close. From AudioFile Sam Peek, 81, who has just experienced the death of his wife of fifty-seven years, journeys alone along Georgia back roads to his sixtieth college reunion. The dog in the title, mysterious and sometimes ghost-like, joins Sam and remains his companion throughout the story. The deceptively simple story is accomplished with skillfully crafted prose and economy of style. The author reads with an honesty and intensity superbly suited to this fine work, which deserves to be better known. M.A.M. (c) AudioFile, Portland, Maine *Revue de presse* "Terry Kay is a perfect writer for those who love to read. His prose contains music and passion and fire. His work is tender and heartbreaking and memorable." (New York Times bestselling author Pat Conroy) "This short book moves like poetry.... A loving eulogy to old age.... A tender celebration of life, made poignant by death being so close at hand." (Los Angeles Times) "Manages to texture a plethora of everyday details with a kind of subtle, supernatural resonance." (Kirkus s) "To Dance with the White Dog is what literature is -- or should be -- all about.... Kay is simply a miraculous writer.... This book... burns with life." (Anne Rivers Siddons) "A hauntingly beautiful story about love, family, and relationships" (The Most Reverend Desmond M. Tutu) "A master storyteller." (The Atlanta Journal-Constitution)
