Description :

Prsentation de l'diteurThis 20th Anniversary Edition features a foreword by Lauren Beukes and three fantastic new short stories, all set in the extraordinary world of Vurt... Take a trip in a stranger's head. Travel rain-shot streets with a gang of hip malcontents, hooked on the most powerful drug you can imagine. Yet Vurt feathers are not for the weak. As the mysterious Game Cat says, Be careful, be very careful. But Scribble isn't listening. He has to find his lost love. His journey is a mission to find Curious Yellow, the ultimate, perhaps even mythical Vurt feather. As the most powerful narcotic of all, Scribble must be prepared to leave his current reality behind. Vurt was an SF novel that was really fresh and peculiar William

Gibson, Transgressive. It got under your skin like Cronenberg, or like Poppy Brite Chuck Wendig, Vurt is a gripping piece of speculative fiction GuardianRevue de presse"Vurt hasn't lost a shred of its originality or power ... With the entire world on drugs, things are understandably dystopian, but the legitimate human emotion keeps everything grounded and adds a real beauty, like a rainbow reflected in an oil slick ... Vurt was already essential reading, as much in 2013 as in 1993." --SciFiNowPrsentation de l'diteurThis 20th Anniversary Edition features a foreword by Lauren Beukes and three fantastic new short stories, all set in the extraordinary world of Vurt...
